EXPERIENCE

Quality Pools & Spas, Chinchilla PA — IT Specialist & General Worker (Seasonal)

MAY 2025 - AUGUST 2025

Provided seasonal website upkeep and basic customer-facing support. Helped the business maintain accurate information online and assisted with light communication needs.

Intrada Technologies, Muncy PA — Frontend Developer

APRIL 2023 - MAY 2024

Worked on client-facing website builds while handling the unglamorous but essential technical tasks behind the scenes. Managed DNS records, improved site performance and SEO, and launched multiple WordPress and custom-coded sites for regional organizations. This role strengthened my analytical and problem-solving habits and taught me the value of clear communication when guiding non-technical clients through technical decisions.

Silent Sound System, Wilkes Barre PA — Website Manager

SEPTEMBER 2022 - APRIL 2023

As the Website Manager at Silent Sound System, I oversaw the management of multiple websites for startup businesses under the stewardship of Brad Wells. My responsibilities included handling WordPress site plugins, theme updates, content changes, and SEO optimization. I also secured new domains for future projects to expand the company's online presence and reach. Through implementing strategies to improve website performance, user experience, and search engine rankings, I contributed to the growth and success of the businesses under the umbrella of the offices at Great Escape, LLC..
